ABOUT COLLECTION

Modern and simple forms

Stylish and so very fresh- those words perfectly describe our Scandic collection. Simple lines make this furniture retro- scandi style finished with extra modern feet. Very comfortable with cozy feel will help you to relax and charge your batteries for next day.

Who we are , what we do, how we work.

The Complet Furniture story began in Poland in 1989. At that time we were just a small, family run business. Over the next years we grew stronger, offering high quality products, trying to exceed the expectations of our most demanding clients. We may also proudly say, that we offered jobs to many local inhabitants, providing them with an opportunity to build their own future as well as the future of our company.

We manufacture modern, stylish and elegant home furniture. As a company, we have always been very ambitious with a great passion and love for everything we create. We use only high quality, certified components, adding our passion, positive energy and perfection to the production process of every piece of our product. We offer a variety of over 100 models, including high quality, luxurious sofas, loveseats, beds and fantastic chairs/armchairs. All of our products are manufactured in our production site.

Materials we use: Wood, foams from Carpenter UK, wadding, fabrics, felts, pocket springs, dacron, chipboard, elastic belts, hardboards, plywood. All of our components come from European suppliers. They meet the UKAS requirements, our company is FSC certified.

Our main export markets include: UK, Germany, Netherlands, Belgium, France, Romania, Switzerland, Spain, Italy, Czech Republic and the USA.

Our motto:

‘It’s not just furniture, it’s a lifestyle’
